

National Pension System (NPS)

Nodal Office Training Program – Nagaland | May 13 – 15, 2026

Agenda

-  DDOs Activation and Functionalities
-  Subscriber Awareness
-  Choice of Investment Patterns
-  Withdrawal Processing
-  NPS Calculator
-  Handling Queries Related to NPS Operations

Points to Remember

- 
- ✓ After generating the **Acknowledgment ID** for I-PIN Reset or Aadhaar Linking, share it with the **superseding office** for authorization.

Adhaar Linking/Reset I-PIN for	Authorisation By
DDO	DTO
DTO	DTA

✉ For **DTO login/Aadhaar authentication authorization**, email the Acknowledgment ID details to **DTA** at directordta@yahoo.in

- ⊘ Do **not attempt login** before authorization in the CRA system doing so may **lock the account**.
- 

Important Links

CRA-Protean Site (www.cra.nps-proteantech.in)

Used for operational activities such as PRAN generation, subscriber shifting, Exit withdrawals and updating core details.

NPSCAN Portal (www.npscan.nps-proteantech.in)

Used for contribution accounting for government sector subscribers and updating subscriber details.

www.npscra.proteantech.in is the official website where all relevant forms, FAQs and Standard Operating Procedures (SOPs) are available for Nodal Offices and subscribers.

DDOs Activation and **Functionalities**

Subscriber Login and **Functionalities**
