NO. DTA/TRY/7-19/2018 **Dated the Sept' 2026**

CIRCULAR

Sub.: Dissemination of information regarding Departmental Pensioners' Information Channel on WhatsApp.

In order to facilitate timely and wider dissemination of pension-related information, this Directorate has created a dedicated **Pensioners' Information Channel** on WhatsApp for communicating important notices, instructions, initiatives, verification-related information and other updates concerning pensioners.

The link to the said WhatsApp Channel has already been circulated through the Department's official WhatsApp groups.

All Treasury Officers are hereby directed to forward the link to the Pensioners' Associations in their respective districts and request them to disseminate the same widely amongst pensioners so that as many pensioners as possible may join the Channel and remain informed of pension-related activities and communications of the Department.

Treasury Officers shall also make suitable efforts at their level to create awareness about the Channel amongst pensioners visiting their respective Treasuries and encourage them to subscribe to the same.

The Channel is intended to serve as an additional means of communication with pensioners and to enable important information concerning pension matters to reach them in a timely and convenient manner.
